

Prayerfully Fight for Living Waters (Torrents de Vie/TDV) in the French-Speaking World!

Over 25-years-ago, a CA woman prophesied that Living Waters would find extraordinary expression in France. Her words came true. Founders Werner and Charlotte and new leaders Claude and Monique have led thousands of French-speakers (France, Switzerland, French Guyana, other territories) into pools of life-transforming mercy. They have been persecuted unlike any other expression of Living Waters. Pray for their courage as hostile cultural forces seek to destroy them.

Claude writes:

The Lord calls us to face many challenges, external and internal.

-A bill is advancing in the French National Assembly 'prohibits practices aimed at changing a person's sexual orientation or gender identity.' The gov't.'s goal? To close TDV Werner Loertscher and similar associations.

-A variety of journalists have infiltrated our healing sessions. The last one resulted in the publication of a book scandalizing TDV, particularly Werner Loertscher. Gay lobbyists waged a virulent press war against us that made big news in the French media for months.

-More and more churches are destabilized in their positions in the face of homosexuality. The retreat center which sponsors our training canceled our reservation due to fear of demonstrations.

-Pray for our leaders' fortitude; many feel abused and insecure. One local group closed.

-Pray for us as we work on unifying and renewing our teams.

-Pray for fresh coordinators with clear vision who can strengthen others and launch new groups.

-Pray for our 'Summer University' designed to restore team members and to grow in the basics of spiritual combat. We created a 'Spiritual Coaching Training' to equip new team members.

-We are creating a website designed to defend our positions and to educate parliamentarians.

Pray for us to be courageous, in the spirit of Paul's exhortation in Philippians 1:27–30: 'to fight with one heart for the faith of the gospel, without being frightened in any way by those who oppose us.'

Thank you for prayerfully standing with us!
